

CODE of conduct for 18+ SESSIONS.

Timekeeping:

Please do your best to arrive on time for all sessions. We understand that there are occasional times when this isn't possible, but a consistent lateness won't be possible to accommodate. If you have difficulty with the times of the sessions, then we will try to find a session that better suits your timetable.

Behaviour:

Please be courteous to all members of the group and accept the guidance of your tutor. You may not agree with everything but please accept their advice and ask for clarity outside of the session if you still need it. If they have time, they may be able to help you outside of the session. If you're consistently not happy with the tutoring, then it may be that we're not the right group for you.

Additional Needs:

If you have specific needs, please email the Director, Laura before you enrol on the course and we will discuss how we can best support you. We are keen to make sure that additional needs are accommodated where possible, but we sometimes only have one member of staff present in a session and won't be able to provide bespoke delivery. It's important that everyone in our sessions is comfortable and that one person's adjustments don't have a detrimental effect on the experience for the others.

Hygiene:

As there are lots of people in small spaces in sessions, please make sure that you have considered your personal hygiene and the potential effect on other members of the group. If there is reason to, one of our members of staff may talk to you if we feel that it's necessary to keep everyone comfortable.
